

DuraClass® DuraTuff™ SD Dump Bodies

DURATUFF™ SD BODIES

Sleek Profile. Rugged Performance. Built to Represent Your Brand.

Overview

The DuraTuff™ SD by DuraClass® blends **braceless, modern design** with **heavy-duty durability**, making it the go-to dump body for contractors who need performance **without compromising aesthetics**.

Crafted from **abrasion-resistant (AR) steel**, the DuraTuff™ SD features **smooth exterior sides**, perfect for bold branding, while delivering exceptional resistance to wear and impact in the field. It's built to haul the tough stuff—and look good doing it.

Key Features

- ▶ **Braceless, smooth side walls:** Clean look, ideal for graphics and logos
- ▶ **Crossmemberless understructure:** Reduces corrosion, lowers maintenance
- ▶ **Dirt-shedding top rails:** Cleaner operation, longer life
- ▶ **Single-panel AR steel tailgate:** Lightweight, tough, and impact-ready
- ▶ **Slimline hoist tank design:** Saves space without sacrificing power

DuraClass® DuraTuff™ SD Dump Bodies
