

DuraClass HPT Dump Truck Bodies

HPT shown with optional equipment.

HPT DUMP BODIES

Built for Payload. Engineered for Profit.

Engine & Accessory proudly offers the **DuraClass HPT series**—heavy-duty dump truck bodies designed to **maximize payload, boost efficiency, and deliver long-lasting durability.**

Crafted from **minimum 45,000 psi high-tensile steel**, our bodies are engineered to be lighter without compromising strength—so you haul more with every load and reduce overall operating costs.

Key Features

- ▶ **High-tensile steel construction:** Lightweight yet incredibly durable
- ▶ **More payload per trip:** Increased capacity = higher ROI
- ▶ **Customizable body styles:**
 - Aluminum or steel cab shields & tailgates
 - Sloped or hi-lift tailgates (air or hydraulic)
 - Custom side & tailgate heights

DuraClass HPT Dump Truck Bodies

Key Features

- Sliding door options
- Stainless steel body configurations
- ▶ **Advanced hoist systems:** Better stability, greater lifting capacity
- ▶ **Durability-focused details:**
 - Greaseable rear hinges
 - Fully enclosed front corner posts
 - Easy-maintenance design

Available Sizes

- ▶ Dump bodies available in **13' to 17' lengths**
- ▶ Built to match your fleet's specific hauling needs

Why Choose Engine & Accessory?

- ▶ With over 70 years of manufacturing expertise, Engine & Accessory delivers **custom-built dump trucks** that are rugged, reliable, and tailored to your industry. Whether you're in construction, waste, or aggregate hauling—we build for **your bottom line**.

HPT DUMP BODY

Inside Length	13'	14'	15'	15'	16'	17'
